Finally, we inform that the updated ByLaws will be made available on the Datrix website datrixgroup.com in the Governance/Documents section.

**

Datrix is an international Group - listed on Euronext Growth Milan - that develops Artificial Intelligence applications to accelerate the data-driven growth of businesses through highly specialized tech companies in vertical markets.

The Group operates in two business areas:

AI for Data Monetization

Solutions and applications to maximize growth opportunities, including Martech (AI for Marketing & Sales), AdTech (AI for Data Monetization), and FinTech, transforming data into tangible value using generative AI.

AI for Industrial/Business Processes

AI-based services for Industry 5.0, aimed at optimizing the efficiency of industrial and business processes (e.g., power plants, transport infrastructure, production processes, and logistics).

Since 2019, Datrix has accelerated its growth path through acquisitions in Italy and abroad. The following companies are now part of the Datrix Group: 3rdPlace Srl, FinScience Srl, ByTek Srl, Paperlit Srl, Aramis Srl, Datrix US Inc. and Adapex Inc.

The Datrix Group is a technological partner in international consortia for important Research & Development projects in finance, biomedicine, and cybersecurity, funded by the European Union and Italy, based on Artificial Intelligence algorithms. Datrix operates through four offices in Italy (Milan, Rome, Cagliari, and Viterbo) and one in the United States. More details can be found on datrixgroup.com/en.
