

DATRIX SIGNS NEW SPECIALIST AGREEMENT WITH BANCO BPM

Milan, November 6, 2025 – Datrix S.p.A. ("Datrix" or the "Company"), a company listed on Euronext Growth Milan (ticker: DATA.MI - ISIN IT00054683) and the first international ecosystem of Artificial Intelligence software companies, announces that it has today signed an agreement with Banco BPM ("BPM") for the appointment of a Specialist.

The agreement, which lasts three years, will be effective starting from December 4th, 2025 and will continue until December 3rd, 2028. According to the terms of the contract, BPM, in addition to the activities envisaged by the relevant legislation for the role of Specialist on Euronext Growth Milan, with the obligation to display buy and sell quotes on the stock, through Banca Akros, Corporate Investment Bank of the Banco BPM Group, will also follow the financial analysis of the Datrix stock with the production of dedicated research in compliance with regulations (EU) no. 596/2014 and n. 2017/565.

The appointment of BPM follows the termination of the agreement with Mediobanca – Banca di Credito Finanziario S.p.A., which was communicated to the market upon the publication of the half-year financial report as of June 30, 2025, and is set to expire on December 3, 2025.

Niccolò Bossi, General Manager of the Datrix Group, commented: *"We are very pleased to begin this new collaboration with Banco BPM and Banca Akros, top-tier partners that we are confident will support our path of visibility and growth on the capital markets and within the Italian and international financial community. We thank Mediobanca for their valuable support and professionalism during these years of fruitful collaboration".*

ABOUT DATRIX

Datrix is a Group listed on Euronext Growth Milan (ISIN code IT00054683), leading the first international ecosystem of vertical B2B software companies powered by Artificial Intelligence. The Group operates with AI-Based solutions in two business areas: AI for Data Monetization (to maximize growth opportunities in the Martech, AdTech, and FinTech sectors by transforming data into tangible value) and AI for Industrial & Business Processes (to optimize the efficiency of industrial and business processes in key sectors such as energy, manufacturing, finance, logistics, and transportation). The Datrix Group today includes the brands: Adapex, Aramix, ByTek, FinScience, and Navla. Datrix is also a technology partner of over 20 universities and international research centers for major Research & Development projects (funded by the European Union and Italy) based on Artificial Intelligence algorithms in the fields of LifeScience/Health, Social Well Being, and Cybersecurity. Datrix, headquartered in Italy, operates in Europe, the United States, and the United Arab Emirates.
